NOTE: This age chart is for BASEBALL DIVISIONS ONLY, and only for 2024.

Note: Find your child's birth month and year on the table. Slide to the right and find their "Little League Age" in blue column. In red text to the right of the age chart are WMLL's League Names and "Little League Ages" that fall in that league.

For those new to the Little League Age chart it is important to know that your child will, at times, have a difference between their actual calendar age and their "Little League Age"
